PROFESSIONAL SUMMARY

Currently coordinating global logistics for DP World's sports and events portfolio, moving time-critical air, sea, and road freight for marquee international accounts, and running control tower between origin and destination stakeholders across time zones. I'm now backing that hands-on experience with an MBA in International Business (Operations) at Manipal Academy of Higher Education, Dubai. Early in the career, focused, moving fast, and aimed squarely at logistics and operations leadership.

PROFESSIONAL EXPERIENCE

Logistics Coordinator — Sports & Events

Aug 2025 – Present

DP World Head Office | Dubai, UAE

- Coordinate end-to-end air, sea, and road freight movements for high-profile international sports and events accounts, including SailGP, McLaren Racing, and Yamaha.
- Operate as part of the control tower between origin and destination stakeholders, ensuring real-time visibility and issue resolution across multiple time zones.
- Manage time-critical, high-value shipments against zero-slack event deadlines through global freight forwarder and agent networks.
- Produce daily structured reports for senior stakeholders covering shipment status, financial performance, and account-level developments across all active accounts.
- Monitor customer aging and outstanding receivables across active accounts, escalating risk items to leadership ahead of payment cycles.
- Lead on-the-ground coordination during live event windows locally, ensuring last-mile delivery and setup deadlines are met under real-time operational pressure.

Business Development Executive
